EEK! There's a Mouse in the House

EEK! There's a mouse in the house. Send in that cat
to chase that rat! Uh-oh! The cat
knocked over a lamp. Send in the dog to catch that scamp!
Dear me! The dog has broken a dish. And now
the cat is after the fish. Send in the hog
to shoo that dog! Oh, my! The hog is
eating the cake. Sending the hog was a big mistake.
Send in the cow. Send that cow NOW! Oh no!
The cow is dancing with a mop. Send in the sheep
to make her stop. Goodness! The sheep

is tangled in yarn. Send in the hen from the barn!
Mercy! The hen is laying eggs on the table.
Send in the horse from the stable! Heaven!
The horse kicked a hole in the wall.
Send in the elephant to get rid of them ALL!
The elephant was BIG, but he squeezed through the door.
Once he was in, there was room for no more.
Out of the house marched the cat and the cow.
Out came the horse and the hen and the hog.
Out walked the sheep. Out ran the dog. But then
from within, there came a shout; EEK!
There's a mouse in the house!
